

A photograph of a modern shopping mall, City Centre, under a blue sky with scattered clouds. The building is a mix of red and grey. Large signs for 'SHOPPERS STOP', 'INOX', and 'Reliance Trends' are visible. A sign for 'citycentre' is on the left. In the foreground, there's a parking area with a yellow and blue striped curb and some greenery. A sign on the left says 'citycentre sriguri'.
